Je - sus Christ the gi - ver of li - fe to - day let's wor - ship Him

Choir Voicing: Here we have a lesson on Unison and three part choir voicing. You will notice some words extended with "-" sign meaning one voice hold note and movement with other voices. Play the midi file and follow along with the notes and the words for a better example. For full midi file version go to <http://samsmuzik.com/education.htm>
